

CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Approving the Purchase of a Bucket Truck from Altec Industries Inc., of Dixon, CA (\$91,892) (Replacement)

MEETING DATE: January 5, 2011

PREPARED BY: Electric Utility Director

RECOMMENDED ACTION: Adopt a resolution approving the purchase of a bucket truck from Altec Industries, Inc., of Dixon, CA (\$91,892) (Replacement)

BACKGROUND INFORMATION: The new California Air Resource Board (CARB) standards require agencies with diesel vehicles to reduce NOx emissions by no later than 2011. The Electric Utility Department currently utilizes a 2000 Ford F550 diesel bucket truck (09-023) which is not in compliance with CARB standards. This vehicle is utilized daily by an Electric Troubleman, the first responder to electrical trouble conditions and customer problems 24 hours a day.

The cost to retrofit the vehicle to comply with the new CARB standards is approximately \$20,000. This truck is near the end of its usable life per City Fleet Policy Guidelines. As of November 1, 2010 it had an odometer reading of 122,254. The EUD recommends that the truck be replaced rather than upgraded.

The purchase will be made under the California Multiple Award Schedule (CMAS). Per Lodi Municipal Code §3.20.045 and Fleet Policies and Procedures, the bidding process may be waived when it is advantageous for the City to use contracts that have been awarded by other California public agencies, provided that their award was in compliance with their formally-adopted bidding or negotiation procedures. Staff recommends purchase of the Altec Troubleman Bucket Truck using CMAS Contract Number 4-02-23-0013A.

CMAS PRICE	TAX	SUBTOTAL	TRADE-IN	GRANDTOTAL
\$96,452	8,440	104,892	13,000	\$91,892.

FISCAL IMPACT: Procurement cost is estimated at \$91,892.

FUNDING: Included in FY2010/11 Vehicle Replacement Fund Account No. 1611201.7851

RESOLUTION NO. 2011-02

A RESOLUTION OF THE LODI CITY COUNCIL
APPROVING THE PURCHASE OF ONE BUCKET
TRUCK FROM ALTEC INDUSTRIES, INC.

=====

WHEREAS, the new California Air Resource Board (CARB) standards require agencies with diesel vehicles to reduce NOx emissions by no later than 2011; and

WHEREAS, the Electric Utility Department (EUD) currently utilizes a diesel bucket truck that is not in compliance with CARB standards; and

WHEREAS, the cost to retrofit the vehicle to meet the new CARB standards is approximately \$20,000, and the vehicle is near the end of its usable life per City Fleet Policy Guidelines; and

WHEREAS, EUD recommends that the vehicle be replaced rather than upgraded; and

WHEREAS, purchase of the bucket truck will be made under the California Multiple Award Schedule (CMAS). Per Lodi Municipal Code §3.20.045 and Fleet Policies and Procedures, the bidding process may be waived when it is advantageous for the City to use contracts that have been awarded by other California public agencies, provided that their award was in compliance with their formally-adopted bidding or negotiation procedures; and

WHEREAS, staff recommends that the City Council award the bid to Altec Industries, Inc., of Dixon, California, in the amount of \$91,891.55 using CMAS Contract No. 4-02-23-0013A.

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council does hereby award the bid for the purchase of one bucket truck for EUD to Altec Industries, Inc., of Dixon, California, in the amount of \$91,891.55, utilizing CMAS Contract No. 4-02-23-0013A.

Dated: January 5, 2011

=====
